THE DEMOCRATIC PRIMARIES

PRIMARIES HELD VERY GENERALLY ALL OVER THE ISLANDS.

Democratic primaries were held throughout the islands Saturday. The results are not all in but from the information at hand, it is evident that the Hearst forces have elected a large majority of delegates to the convention which meets in Honolulu June 6. There was in reality no open contest made by the sympathizers of Parker or any other candidate against Hearst, those contending elements preferring to make their fight under the guise of an "uninstructed" delegation to St. Louis. R. B. Kidd of the Hearst interests has taken the position that the test of Hearst loyalty is an instructed delegation and this has been endorsed by the Hearst workers. The fight in the approaching convention will be made along those lines.

The Hearst forces have a big majority of delegates from the city of Honolulu. The returns from the outside precincts on this island have not all been received. The majority of those delegates will probably be for instruction. Returns from the Wailuku precinct on Maui shows that seven delegates were chosen. The Hearst people claim the majority of this delegation. Returns from Lahaina have not been received. This delegation will come strongly Hearst however. From the Island of Hawaii no returns have been received.

Efforts are being made by the leaders of the Hearst element to secure harmony during the convention. The argument which is advanced for harmony is that the sentiment is so overwhelming in favor of declaring for an instructed delegation, that the interests of the party could be best served if all delegates endeavor to work harmoniously during the convention. Unless something very unexpected should occur the Hearst contingent will sweep everything before them in the convention. Practically every precinct in the Fourth District chose delegations which will support the resolution for the instruction of the delegates. There is some division among the delegates of the fifth district, but from the returns at hand, the Hearst forces are sure of 22 out of 35 delegates chosen in the Kalihi and Palama sections.

One of the incidents of the primary election, was the defeat of F. J. Testa in the Eighth Precinct of the Fourth District.

In the Eighth Precinct of the Fourth District there were 245 enrolled Democrats of whom 197 voted.

The following delegates were elected:

MAILES WON FROM HONOLULU

THE HODOO TEAM BEATS THE H. A. C. BY A SCORE OF TWELVE TO TWO.

The Mailes won a baseball game on Saturday, giving the Honolulu Athletic Club team the worst beating it has ever had. The former hoodoo team outplayed the Honolulu all round, and the grandstand howled while they rolled up a score of twelve to two against H. A. C. The Honolulu defeat was evidently largely due to errors by members of the team who had not had practice. In the other game the Elks lost to the Kamehamehas, after eight innings. The Elks scored one in the first inning and held down the Kamehamehas until the seventh, when the score was tied. One more run in the eighth made the Kam score of two to the Elks' one. The scoring was as follows:
